OH BABY!

QUICK TIPS

It's a good idea to schedule your appointment at the time of the day when the children are well rested, fed and in the best mood. Don't hesitate to pull out heirloom blankets, toys, rockers and outfits for the session. It's good to bring an extra change of clothes, just in case and as additional options.

Jenn is happy to meet you at your house or we can meet on location like at a park, plantation, field or by the water.
